*As a man thinks, so is he, Proverbs 23:7*

I feel fortunate to live at the Outer Banks – from real estate property management, operating a lawn care business, and attending Kitty Hawk Baptist Church – this community has become my family. I enjoy reading, gardening, and cooking, but my passion is giving back through volunteering. Using my talents and connections within the community, first as a volunteer and currently as a Board Member, I lead all fundraising efforts for Cross Roads OBX. Because Cross Roads is almost fully funded by charitable donations, it is crucial to helping us achieve our goals and grow our presence in the community.
